Join us for an energy
prom like no other, as
the Alliance hosts its
the 30th Awards Gala
and celebrates its
45th anniversary!

Since 1993, the energy efficiency community has gathered at the Alliance's Evening with the Stars of Energy Efficiency Awards Gala to honor the outstanding work of our peers. We are especially thrilled after a two-year hiatus to welcome energy efficiency leaders from industry, government, and academia back to Washington, D.C., for our black-tie gala as we celebrate our 2022 award recipients.

So dig out your black-tie finest from the back of the closet and join us for what promises to be one of our most celebratory Galas yet!
